

A COMMUNITY COLLABORATION HOSTED BY:

Our first social event, “**Autism Unity in the Community: Games, Grooves & Guidance**” is set for Friday, November 17th at The Salvation Army Ray & Joan KROC Corps Community Center! Your support is vital to our autism community! Auturity and Special Needs Siblings organizations are offering a variety of sponsorship and vendor opportunities to show your support for our social event, while also introducing your business to our autism community.

Auturity is a nonprofit organization that fills a crucial gap in services for autistic youth and adults as they transition into adulthood. Special Needs Siblings (SNS) is a nonprofit organization that empowers the brothers and sisters of young people with disabilities. Through our monthly social events, Auturity and SNS are connecting autistic people and their caregivers with critical resources as they gain independence.

Our social events are designed to serve as epic events for the entire family. While the themes may change from month to month, “**Autism Unity in the Community: Games, Grooves & Guidance**” will offer:

- A social game of bingo for autistic people ages 14 and older—facilitated by paid professional volunteers—allowing autistics to socialize without their parents or siblings.
- An opportunity for siblings to talk about shared experiences while also enjoying a fun Zumba fitness dance class in which siblings interact with each other, creating a celebratory sense of siblings connecting.
- A panel of experts in the areas of medical, legal, workforce, education, and independent living transitions where parents and caregivers can discuss the resources and transition services they need.

The following Sponsorship Menu details the various sponsorship and vendor opportunities available to you. Sponsoring **Autism Unity in the Community** helps us keep fees low for families struggling with autism. Payment options are accessible via a Givebutter event campaign for your convenience. Please feel free to use the provided link or scan the QR code. We hope to have your support and see you at **Autism Unity in the Community: Games, Grooves & Guidance** November 17th!

Gratefully,
